Electric that moves you.

Go Faster
Charge from 10% to 80% in about 28 minutes, and a new battery preconditioning system helps maintain fast charging speeds in cold weather.

Go Further
Up to 288 miles of all-electric range with standard Symmetrical All-Wheel Drive.

In More Places
For 2026, all Subaru EVs are compatible with the North American Charging Standard (NACS), adding more than 25,000 chargers across the country for quick, convenient charging.

1 Provided by Toyota™, Privacy Policy: www.toyota.com/privacyvts. Cloud Navigation requires a trial or subscription to Drive Connect. Certain model years and vehicle trims may also include a trial subscription to Drive Connect. 4G network dependent. Visit the SubaruConnect webpage (<https://www.subaru.com/subaruconnect>) for details.

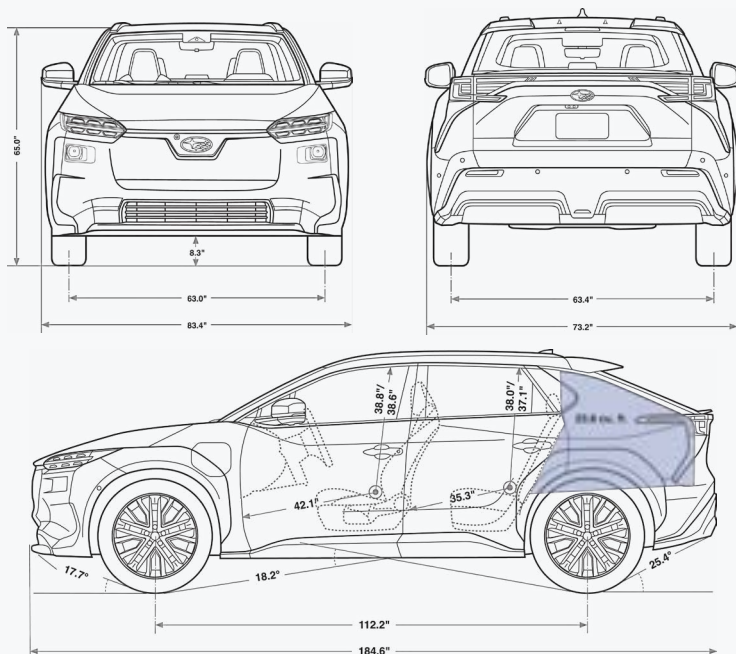

2 SiriusXM 4-Month Trial: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel, which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of SiriusXM Radio LLC and its respective subsidiaries.

3 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See your Owner's Manual for complete details on system operation and limitations. Traffic Jam Assist requires an active trial or subscription to Drive Connect. 4G network dependent.

5 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

6 Premium paint at additional cost. See your Subaru retailer for details.

7 Two-tone Smoked Carbon paint available for XT models only.
